The Coastmobile does Christmas

What a glorious day it was as thousands of people - kids and adult kids lined the route to see the **Glenelg Pageant** roll down Jetty Road on Sunday November 25.

The Coastmobile was there in all it's glory, right near the Father Christmas end of the pageant to get spectators hyped up for the

arrival to bring Good Tidings and Christmas presents for ALL kids - whether Naughty or Nice. The response to the Coastmobile's appearance in the Glenelg Pageant after an absence of several years (and a new car) was overwhelming. Thanks folks - we'll be back again next year with a Coast Christmas.

A tasty gift idea from Coast FM

Here's your last chance to pick up some incredible wine in time for Christmas from Barristers Block winery, specially selected by Coast FM to carry our label.

Our tasting panel spent some time at the winery and declared these varieties suitable to offer to our listeners:

2017 Sauvignon Blanc \$150 (1/2 Dozen \$80)

2017 Sparkling Blonde \$150 (1/2 Dozen \$80)

2017 Cabernet Shiraz Tempranillo \$185

(1/2 Dozen \$95)

Have you heard? Lynne Cavanagh has got "Life"... That is Life Membership at Coast FM. Well done Lynne, I hope you realise that now you have to work twice as hard (only joking) Congratulations!

Although I have only been Chair since the AGM, I would like to thank some people. Firstly, a big thanks to the retiring Chair Phil Davis for the past 12 months, well done Phil. Phil is still a Board member. Also thanks to Brenton Montgomery for his valuable contribution in management. He's too good to be off the Board for very long, we'll keep the chair warm!!

A big thanks to the continuing Board Members for the past 12 months.

We welcome Lynette Wright (Secretary) and John Morrissey (former board member) Hope it's a good experience for you both. Further thanks to Janey M and Carin Montgomery for their minute taking at Board Meetings.

A special "Thank You" to all our valuable Presenters, Volunteers, Members and Sponsors for all your past contributions and hopefully future contributions to our great Community Radio Station Coast FM.

I will close by wishing everybody a Merry Christmas and a Happy and Safe New Year. Lets hope we all enjoy 2019 being involved and continuing the good work at Coast FM Bye for now.

OPEN DAY BREAKS ALL RECORDS

Well what an absolutely fantastic Open Day!!! Without a doubt the biggest attendance yet. We estimate more than 3,000 people came along to our favourite day of the year. The weather was perfect, the atmosphere electric, the music and entertainment spot on. We couldn't fit another craft stall in and the stall holders were ecstatic. The food selection was good, our famous sausage sizzle was still the No1 attraction! Through your support we raised just under \$6000. So many new memberships were signed up on the day and those new members will be reading our Newsletter for the very first time. Welcome on board!!

We love meeting our listeners and putting faces to names! That is the charm of Community Radio we know our audience and meet many listeners at various functions we have. And we are looking forward to seeing you throughout 2019.

Coast Changes...

Welcome back to the Drive timeslot to Brenton Montgomery. Apparently you can't take the Drive out of a presenter and Brenton has decided that 4.00pm – 6.00pm is the right time for his great program. You can catch up with Brenton every Thursday.

After Christmas Lynette Wright will be packing up her Mixed Bag of Goodies and moving to Thursday morning at 3.00am. Lynette is currently On The Air on Sunday night at Midnight till 3.00am Monday morning.

Making the move from late night to daytime is Michael J who can now be heard every Monday at Midday with Monday Lunch with Michael J. Give Michael a call and welcome him in his new time slot. Michael will still be presenting Across The Tracks at Midnight on Thursday for a few more weeks. Earlier this year popular announcer Mel Tickle had to take leave to recover from surgery. He has filled in on different programs around the Coast but we are happy to announce that Mel is back with his own unique mix of music on Wednesday night at 10.00pm. The name The Groove Club – After Dark says it all.

Last, but definitely not least, listeners will be happy to hear the return of Geoff Groth to his own show every Tuesday at Midday. The Harmony Street Café will feature Geoff's music from his extensive collection of original songs and artists from the golden era of the 50's – 80's.

Saturday night continues as party night on Coast. The popular 50's and 60's Rock and Roll Party at 6.00pm leads in to the 70's to the 90's Party Favourites from 9.00pm to Midnight.. This gives our listeners 6 hours of great party music on a Saturday night.

Christmas Day is always special at Coast with many of your favourite presenters On Air with music to keep you entertained all day and don't forget New Years Eve - 6 hours of great music to keep your party going whether 100 people or just 2 of you. Tune in from 6.00pm – Midnight.

Presenter Profile

Lynne Cavanagh was born in Cyprus in the early 50's and has lived in a few countries before moving to Australia on 6/6/66, she always says that auspicious date explains a lot!! Settling in Melbourne with her family, life soon took her on a journey around Australia and Malaysia, which is where her love of Community Radio started in 1982.

Through that experience she managed a radio station for almost 14 years in Townsville until moving to Adelaide for a new life at the beginning of 2000. Missing radio, she started with Coast FM July 2001. In that time Lynne has served on the Board a couple of times, been involved with programming, fundraising and organising social activities for our volunteers and is currently Vice Chair of the Board. At our AGM in October Lynne was awarded 'Life Membership' for her dedication to Coast FM. After many years doing Breakfast, you can now hear Lynne Saturdays 9am – Midday.
